**Proposed Local Law M – 2025 – No Parking Port Washington Boulevard**

The Board considered proposed Local Law M – 2025, to amend section 227 of the village Code entitled “Parking, Standing, Stopping”, to include No Parking at points along Port Washington Boulevard.

Mayor Rosenbaum stated that we still need the measurements of the No Parking, Standing, Stopping zones before finalizing the language of the local law, specifically regarding the extent of the no-parking area along Port Washington Boulevard.

Upon motion duly made by Mayor Rosenbaum, and seconded by Trustee Smith, the Board voted unanimously to put the matter back on the agenda for the January 12, 2026 Board of Trustees meeting.

**Proposed Local Law K- 2025**

The Board considered proposed Local Law K – 2025, to amend section 219 of the Village code entitled “Trees”, so that in the interest of public safety no person shall plant any tree, shrub or plant, other than ground cover planting, within the public right of way or within the sightline at a corner property.

Village Attorney, Jeff Blinkoff, advised that the current Village code already addresses the fact that trees in the right of way should be pruned so that they will not obstruct the passage of pedestrians on sidewalks. After some discussion regarding the term sidewalk, the board decided to add wording “sidewalk or area adjacent to the roadway” to the section of code for clarification.

Upon motion was duly made by Mayor Rosenbaum and seconded by Trustee Smith, the Board voted unanimously to put the matter back on the agenda for a public hearing at the
